# KATA 9.7

High-end climbing single rope with high safety factors and extremely high durability. Suitable for both experienced climbers and beginners.

DESCRIPTION

Ultrasonic ending and thermo-transfer end marking.

Narrow diameter and great handling provide easy manipulation in all belay devices.

Middle marking.

The unique patented InterCore technology provides maximum safety even in case of a damaged sheath.

Thanks to the sandwich-type construction of braided layers and the use of specially developed staple fibres the rope has super high resistence to abrasion.

LENGTH
pack: 30–80; 100 m
spool: 200 m

KEY FEATURES

- Patented InterCore technology
- Low diameter
- High abrasion resistance

STANDARDS

CE 1019
EN 892 UIAA

FEATURES

9.7 mm

1 single rope

3 YEARS warranty

UIAA

Single Tech

InterCore

MATERIALS
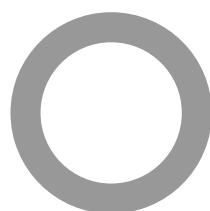

100 % PAD

TECHNICAL DATA

sheat slippage [%]	0
rope diameter [mm]	9.7
number of UIAA falls min	5
max. impact force [kN]	7.7
static elongation [%]	9.0
dynamic elongation [%]	30
weight [g/m]	61

InterCore technology
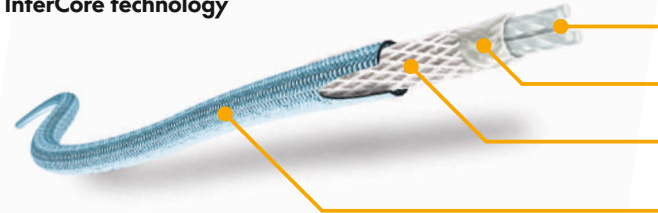

paralel core

braided core

braided intermediate sheath made from staple fibres

Single Tech sheath

ROPE PRODUCTION DATE IDENTIFICATION

Colour of the control yarn within rope's core – this colour marking applies only to SINGING ROCK ropes:

red/green	2013	blue/yellow	2020
red/black	2014	green/yellow	2021
green	2015	black/yellow	2022
blue	2016	red/blue	2023
yellow	2017	red/green	2024
black	2018	red/black	2025
red/yellow	2019	green	2026

Control yarn – blue/yellow = 2020

WEIGHT	61 g/m

MAINTENANCE

Lifetime of this product depends on the frequency and the environment (salt, sand, moisture, chemicals, etc.) in which is used. Without taking wear or mechanical damage into account and in compliance with the conditions specified in the instructions for use this product may be used 15 years from the date of production and 10 years from the date of the first use.
However mechanical damage can occur during the first use, which can limit the lifetime of this products only to its first use.

washing (30°C)   drying (30°C)   beware of salt   beware of UV   beware of chemicals   read instruction
